Cleaner litter
Healthier chickens
Better income

SecuriPad™

100% Broiler Bedding

SecuriPad™ is a sterilized, eco-friendly wood-based bedding designed for maximum absorption and evaporation.

It keeps your litter drier, your chickens healthier, and your farm more profitable.

Start strong: pathogen-free bedding from day one.

Advantages:

- Drier litter, less disease – reduced risk of footpad dermatitis & breast burns.
- Pathogen-free – heat sterilized for stronger biosecurity.
- High evaporation capacity – keeps bedding in proper moisture range throughout the cycle.
- Eco-friendly – made from clean wood trimmings.
- Easy to use – spread with tractor or manually, available in bulk or bags.
- Easy to spread. Even coverage. Ready for the flock.
- Chickens feel safe to walk, rest, and grow on SecuriPad.

Premium Option Highlight SecuriPad + ChickChar™

Extra ammonia reduction | Stronger Odor control | Ideal for large integrators and high-density houses
